CANTEEN NEWS

Starting in April, Lodge Residents will receive a \$1.50 coupon, every time you win at Bingo.

The coupon is redeemable in the Canteen. With the coupon you will be able to buy candy, chocolates, water, pop, puzzle books, cards, and sundries. So, every time you win at Bingo, please come over and check the Canteen. We may have what you are looking for.

PLEASE BE AWARE!

On April 3, the Library area will be closed off due to construction. To ensure your safety, the Management is asking you to please use the halls of WING B and E. It is a good idea to get some practice, so that your body gets used to the long haul back to your suites. Many of our Residents from Supportive Housing walk up the ramp to play Bingo, and many are able to continue to the Hairdresser. If they can do it, so can you!

Residents in A, B, and E will notice more activity and noise. Please be patient. THANK YOU for your understanding.

These changes have been a long time coming. Please stay safe and walk, walk, walk. You will be wonderfully fit for the summer!

Since Friday is a holiday, we will wish her a happy birthday the day before.
